SEVEN REGISTER FOR AIR CORPS

Seven of Fitchburg's undergraduate men have responded to the nation's call for more airmen by joining the Air Corps services of the United States armed forces. Walter Pierce, Rowe Nevin, George Parker, and Alexander MacAusland have been accepted for training in the Naval Air Corps, while Nelson Wood, William Roberts, and William Powers are to join the Army Air Corps.

Pierce, Nevin, and Parker, all Seniors, have already left to begin their training at Squantum where they will receive their preliminary instruction. MacAusland will go to Squantum in the next class, presumably around the end of the month.

Wood, Roberts, and Powers, destined for the Army Air Corps,

CLASS DAY TO OPEN COMMENCEMENT TIME

Opening Commencement weekend, the Class Day exercises will be held on the front campus Saturday afternoon and evening. The afternoon ceremonies will follow the traditional custom which has directed them for forty-five years.

The exercises will open with the march of the classes, with the graduating class entering through hoops of maroon and white held by the class of 1944, newly arrived to the position of Sophomores. The symbolic rock-breaking exercises and the

Elsewhere in this issue is an article which speaks of fifty-six of our one hundred and fifty-six undergraduate men being eligible for military training under the Selective Service Act. This situation is bound to affect not only these men themselves, but the college as a whole, and the other students who are not liable for service.

But our prime concern should be for the fifty-six whose names appear on the published list. They are the ones whose lives are about to be placed in the test-tube, probably to be changed completely. They are the ones who are facing a new and awesome adventure. It is they whose plans for the future fate has chosen to grasp, probable to tear up and cast aside.

Yet we know it can be safely said that not one of them is unwilling to answer the call of his country. A bit disheartened—yes: perhaps a bit disgusted at the stupidity of man which, in the face of bitter experience, re-creates such an emergency but certainly not disgruntled because it has fallen to them to insure an adequate defense for our democracy. They are ready—ready to lay aside their own hopes and ambitions for a while, to prepare our land for what may come.

From the hearts of Fitchburg comes a fond wish for the best of fortune to these men. May their period of training be nothing worse than a valuable addition to the background for their profession. And from the hearts of Fitchburg rises a fervent prayer that War will not come to our shores—that these men will not have to kill and be killed in defense of our homes.

To these fifty-six men—Fitchburg's contribution to the great cause of national defense—this issue of 'The Stick' is humbly and respectfully dedicated.

The Ash Tray

As you have been told, foretold, and told again, this is the last issue of 'The Stick'. I have enjoyed working for you during the past half year, using your money, wasting your time, and insulting your intelligence. In doing this my able assistants were Rita O'Mealey, Charlie Dacey and Ted Cote; the latter will take my seat next year. (I don't mean that literally.) I hope he will be as fortunate as I have been in getting such willing help. Much credit also goes to G. Roger Pauze, our editor, who was very generous with his censorship, although last week he censored a brief I had about Sally Rand doing her bubble dance without bubbles. "It's indecent." Roger stormed, "You've got to put more clothes on her." Well, I was darned if I'd dress her, so she was banned from the publication.

In Defenso Ashtrorum

Ever since I've been with 'The Stick' I've heard more criticism about the feature department. 'It's too immature', or 'It's not on the college level,' were among the foremost. Just what do these critics want? Our policy is to interest and entertain to take a light, humorous—yes, gossiping—feature of the paper. How would you like to have 'The Ash Tray'—an essay on Beethoven's 'Moonlight Sonata'? Or 'Campus Chatter'?—a study in Chinese literature? You can't get away from the fact that people are interested in what other people are doing, how they are doing it, and why they are doing it. We like to find our names in the paper, especially if it refers to our woman-slayer ability, etc. It's of much more interest to us if Danny Sullivan is chasing after Dot Dahlquist than it is if Adolph Hitler is running after a blond nemesis.

In Finito

In conclusion, let us wish you all a most successful and enjoyable vacation. The Seniors, of course, have our congratulations and felicitations. If Johnny Gemma can keep 'Archibald' Cote on the ball—or, at least in sight of it, I'm sure that the feature department will function most creditably.

STUDENT DONATES

RECORD ALBUMS

Two albums of recordings were recently presented to the music department of F. T. C. by a well known Senior student. The albums are both concertos of the early contrapuntal school. One is the Brandenburg Concerto No. 3 by Johann Sebastian Bach and is played by a violin, a trumpet, an oboe and a flute. The concerto is recorded by the Philadelphia Symphony Orchestra under the direction of Leopold Stokowski. The second group is the Concerto Grosso No. 5 by George Fredrick Handel and is played by the London Philharmonic Orchestra conducted by Felix Weingartner.

This gift was greatly appreciated and we sincerely thank the donor who does not wish her name to be revealed.

will soon begin their training at a camp in Georgia.

Pierce Noted as Artist

These seven men have all been prominent in college affairs. Walter Pierce is a member of the Gaveleers, Art Club, and of Epsilon Pi Tau. He has won repeated praise for his talent in artistry, being largely responsible for all the Art work in the activities of his class, he was Art Editor of the 1941 'Saxifrage'.

Nevin, also a Gaveleer, was the Editor-in-Chief of this year's 'Saxifrage'. He has been connected with 'The Stick' throughout his college days, having been Associate Editor last year.

Parker Gaveleer President

Parker, president of the Gaveleers during the past year, has been one of the most popular men in the college during his three years as a student.

Alec MacAusland, a Sophomore, has centered his activities largely around music. He is a member of the Glee Club, the Orchestra, and of the Palmer Hall Double Quartette.

Sophomore Class Head Going

Wood, president of the Sophomore Class, is also a Gaveleer. Throughout his two years here, he has been at or near the top of his class scholastically. Last year he was a member of the college tennis team.

Bill Roberts is a Mohawk who has been prominent in student government. He has served on both the Student Co-operative Council and on the Commuting Men's Executive Board.

Powers, captain of this year's baseball nine, is also a Mohawk. He has been a varsity baseballer since his Freshman year, being

TWO FITCHBURG MEN ALREADY IN AIR CORPS

With seven of our students scheduled for training with the Army and Naval Air Corps, attention is called to the fact that two former students of the college have already made progress in that career. Both these men are familiar to all upper-classmen.

Henry Kusciusko, a graduate in last year's class, has already received his commission as a student officer, after a brilliant record at the Naval Air Station at Pensacola, Florida. While here Kusciusko was an outstanding undergraduate, being one of the first to secure a position. He relinquished this position, however, to go into the air service.

Alexander Cyganesowicz, former member of the Class of 1942, has also done well in the service. Cyganesowicz was a star pitcher on the baseball team in his first two years at Fitchburg. He discontinued his studies early in 1940 in favor of training as a Naval Aviation Cadet.

Fitchburg Ranks Twelfth

Word has been received from the training station at Squantum that Fitchburg ranks in a tie for twelfth in the number of men to be sent there for Air Corps training. Among the colleges tied with ours in number of future second-lieutenants in the Naval Air Corps Reserve are Bridgewater Teachers College, Yale University, and Middlebury College.

'The Stick' would like to take this opportunity to extend to these men a heartfelt wish for outstanding success in the new field which they have chosen.

Baseball Season*—Continued from Page One—*

games. Bridgewater, our arch-rival, went down in a well-played 5-4 contest, and the second consecutive victory was chalked up at the expense of Keene, 9-6, after a see-saw battle.

Split Pair of Slugfests

After overcoming a seven-run deficit to build up a lead, the team fell apart in the ninth and dropped its next decision to Salem, 16-14. Then came the game which made history. Keene came to Fitchburg for a return match, and the result was a wild melee of runs, hits, and errors. The locals built up a 25-13 lead, saw it vanish when Keene helped itself to twelve counters in the ninth, and then came back to eke out a 26-25 decision.

New Britain played host to the Kulcinskimen in their final contest, treating their guest very roughly and batting out a 10-0 victory.

Because records are incomplete, it is impossible to print the individual and team statistics in greater detail.

Lacking an experienced pitcher, the team showed well despite their handicaps. Their batting power was well demonstrated by the fact that in four games they manufactured 5 runs. In the other two contests they were facing exceptional pitching, and were unable to count.

Only One Man Graduating

The team will lose Ralph Pearson, who stepped into the breach at second base and sparkled both at bat and afield, and probably uled for training as an air cadet. Otherwise, it will be an all-veteran outfit which will take the field next year, and we can look forward to a good season.

**CLUBS TO RETAIN
PART OF REVENUE**

The council passed a new resolution permitting Clubs that give public presentations to keep twenty-five percent of the proceeds from tickets sold to outsiders. This is contrary to the policy of the council in the past. Formerly, all proceeds from public presentations were returned to the general treasury. This new plan will give the clubs individual treasuries.

Percentage Set for Two Years

Miss Dahlquist moved that no set percent be given to the clubs, but rather have it optional for at least two years until the council can tell definitely how this new system will work. Miss Beers seconded the motion, which was carried.

Miss Andrews, reporting for a special committee that was to investigate the request from the Gav-Hawks to put on next years presentation, said she felt that the question should be tabled until the fall when the council would know definitely how much money would be in the budget. This was placed in the form of a motion and seconded by Miss Dahlquist. It was so voted.

Committee for 'Freshman Rules'

Miss Jane Beers moved and Dan Sullivan seconded that a representative from each of the upper classes be chosen to serve as members on a "Freshman Rules" Committee. These will work with the faculty for next year's organization.

Al Shinner, financial secretary, moved that all bills owed to the council be paid within a month. This was voted by the council.

Baseball

The 'F' in varsity baseball went to Feeley, Patch, J. O'Neil, and Delaney. Capt. Powers, Bejune, Kitchen, Amsler, Konsavage, Phillips, Gemma, and Pearson earned varsity certificates. Minor certificates went to Fuller, D. O'Neil, Killelea, Simon, and Hanson.

In addition, Goulart received a major award for service as manager of all three sports, while Russell and Lane were awarded minor certificates as trainer and assistant manager, respectively.

Hockey

The hockey players were given minor awards: Capt Yankee, Mgr. Dacey, Kitchen, Kiley, Pearson, Delaney, O'Neil, McCaffery, Killelea, Davis, Driscoll, MacLean, John F. Sullivan, Riggs, Querolo, and Wilson.

The members of the championship G.M. basketball team were also awarded minor certificates. They are Romano, McCaffrey, Killelea, Feeley (Jim), Hodgman, Fuller, Coach Kendall, and Mgr. Dacey.

The athletic department has announced a change in the policy of varsity awards. Hitherto an athlete received but one letter during his time here. Beginning next year, however, a player winning more than one award will receive a second 'F' at the end of his Senior Year.

Bill Konsavage and Jim Amsler the only two athletes to win awards in all three major sports this year. Chet Smith, Dick Bejune, Dick Kitchen, and Jack Phillips received two major awards.

Campus Chatter

To Rudolph Hess: ,

We felt sure that you would get the prize for the biggest coup of the year—but I am afraid that you were out-couped by G. Roger last Friday.

The quick brown fox jumped over the lazy dog.

We see the 'Deacon' has gotten himself a girl friend. He and 'Misto' are going to settle it in a duel—Punches at twenty paces. The quick brown fox jumped over the lazy dog.

Members of the Soph P.A. asked us to dedicate the song, "Somboddy Stole My Gal" to Rene Thomas.

The quick brown fox jumped over the lazy dog.

We understand that 'Playboy' Feeley and Rita O'Mealey have mutual interests. Small wonder they call him "Clark".

The quick brown fox jumped over the lazy dog.

Reversible coats come in handy on rainy days or in damp weather. Don't they Ethel?

The quick brown fox jumped over the lazy dog.

I wonder if George Parker delivered his welcoming address at the Gav outing in International or Morse Code.

To the Seniors:

Goodbye to Pearson's lovely hair;

'Bye to Mary's nonchalant air.

No more Lalli-Clemmer Feuds; No more of Parker's grouchy moods.

We'll miss Gil Berry and his pun.

We'll miss Bert, he's loads of fun.

So good bye, Seniors, we'll miss you all;

VETERAN SPEAKS IN MEMORIAL ASSEMBLY

The Memorial Day Program given in assembly Tuesday morning was opened by a selection, "March on the Mall", by the orchestra. After giving an opening speech, Mr. Harrington introduced Milo Galbraith, a representative of the Dramatic Club, who read Lincoln's Gettysburg Address.

Mr. Harrington then introduced the speaker, Mr. Arnold Du-four, head of the language department at Fitchburg High School, a soldier in the last World War, spoke briefly about the advantages of living in America.

The orchestra played another selection, A medley of national songs, after which Raymond Farquhar and Charles Dacey, representing the Debating Club, each read a selection. The program closed with the singing of The National Anthem.

O. K., Juniors, you've got the ball.

The fox jumped over the lazy dog—

He acted very rash.

The dog arose and started the chase;

That settled the fox's hash.

"I am not as lazy as I look,"

The doggie proudly whined;

And on that dark eventful night On fox his family dined.

Our congratulations to Ralph Gray, next year's proctor of Palmer Hall.

What's this we hear about the distribution of theatre circulars in Miller?

Personal nomination for the most candid of the candid in the 'Sax'—that of Bill Kon impersonating Anna Held.

And what was Tony Tasca thinking of when that picture was snapped at last year's Junior Prom?

1941-42 Officers

During the past two months much of the students' attention has been claimed by elections of one sort or another. Clubs, classes, and other organizations have selected officers for the coming year.

The results of most of these elections have appeared in 'The Stick' as they took place. In a few instances, however, it was impossible to do this. Because of this fact—and to serve as a concise record of the officers of every organization on campus—we are printing a complete list for the 1941-42 college term.

presentation of the class gift will be followed by the planting of the ivy, with the singing of the Iy Song, by the Seniors.

Sing Class Songs, 'Alma Mater'

After a short address by President Herlihy, the Sophomores, Juniors, and Seniors will, in turn march to the middle of the campus for the singing of their respective class songs. The graduates will sing their class song—their last formal singing of it—from their position on the front steps. Then the entire student body will join in the beautiful 'Alma Mater', lead by Bertram Bennett, president of the graduating class.

The graduates will be formally accepted into the Alumni Association, after which the traditional exercises will conclude with the exit march of all classes.

Buffet Luncheon to be Served

Directly after these ceremonies the students will be joined by faculty and friends in a buffet lunch served on the lower end of the front campus.

In the early evening there will be an entertainment, featuring selections by the College Glee Club and a tableaux history of the Class of 1941.

Dancing, Sing-Out at Night

Dancing will follow in the college library. At about 9:30 the students will gather on the front steps for a sing-out, after which dancing will be resumed.

Class Day is the biggest day of the year for the college. The exercises are impressive, and the whole atmosphere of the event makes it stand out in the memories of all the sons and daughters of Fitchburg.

NINE DROPS LAST TO NEW BRITAIN 13-0

Closing its 1941 season, the F. T. C. baseball nine met defeat at the hands of the fast-stepping Teachers College of Connecticut team, by a score of 10-0, at New Britain Saturday, May 24. The game was part of an all-day athletic and social program.

Fitchburg was unable to solve the offerings of Masonis and Zajac, the New Britain pitchers, being able to garner but four hits all morning. Two of these hits were made by Ralph Pearson. Six hits, combined with five errors and six passes, were used to full advantage by the home team, a four-run rally in the fourth being the high spot of their attack. Two of the New Britain's hits were for extra bases, one a triple and the other a home run.
